

Suitable Public Parcels for Homeless Facilities within the Eugene-Springfield Metropolitan UGB

Map Author: Lorissa Hughes

Date: March 15, 2026

Data Source: Lane Council of Governments

Projection: Geographic Coordinate System NAD 1983 HARN

WKID 4152

Authority EPSG

Angular Unit Degree (0.0174532925199433)

Prime Meridian Greenwich (0.0)

Datum D North American 1983 HARN

Method for preparing base information: Suitable parcels were identified by narrowing vacant parcels based on the provided requirements. Proportion of individuals in poverty was calculated by dividing the total population of each block group by the population in poverty. Block groups with over 100 individuals in poverty are displayed.
